CINDERELLA: A FAIRYTALE ^M

*'This is not just a great
Christmas show, but
a great night for all
times and ages.'*

★★★★ *Guardian*

**A DAZZLINGLY ORIGINAL TAKE ON ONE OF
THE BEST-LOVED FAIRYTALES OF ALL TIME.**

Directed by Sally Cookson

When Ella's mother dies she is brought up by her devoted and loving father who teaches her the names and calls of the woodland birds that surround her home. But when her father marries again, Ella's peaceful life is turned upside down by a host of new and unpleasant relations. It appears her only allies are the feathered friends who roost in the trees, but they are no ordinary birds...

Nominated for an Olivier Award in 2013, *Cinderella: A Fairytale's* quirky visual style, crystal-clear storytelling and original live music bring this classic tale of reversed fortunes imaginatively to life.

THE PARDONER'S TALE ^M

COME PILGRIMS COME...

**Based on *The Pardoner's Tale* by Geoffrey Chaucer
By Lewis Gibson**

You have been summoned by the Pardoner to the Tabard Inn, a place where stories are currency and any troubles are left at the bottom of a glass...

He wants to tell you the tale of three men who once set out on a journey to kill Death and get rich quick. He wants to show you how their quest to revenge the death of a mutual friend turned into a treacherous journey into the dark world of greed, murder and mayhem. He wants you to know that you should always watch your back, because you never know where your enemies may hide.

Based on the ancient tale by Geoffrey Chaucer written 700 years ago, *The Pardoner's Tale* is the latest adaptation by Tangere Arts, the company behind last year's *A Thousand Slimy Things*.
